The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Construction of Wilton Way Connector Road on Speros, FL Development in fiscal year 2024. The entity to receive funding for this project is the Pasco County Board of County Commissioners, located at 8731 Citizens Drive, New Port Richey, FL 34654. The funding would be used to provide the permitting, construction, and Civil Engineering and Inspection services necessary to construct a public roadway and related infrastructure on the "Speros, FL" Life Sciences Innovation campus being developed. Once constructed, this segment of a Pasco County roadway will form the "spine" of the Speros, FL development.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
